Why ExpertsDirect Pro Bono?

Every litigation lawyer knows that expert evidence can make or break a case. But the cost of obtaining all the expert advice, reports, meeting attendances and courtroom evidence required can be considerable. By defraying the cost of expert evidence, ExpertsDirect helps more disadvantaged clients get the legal assistance they need.

We encourage pro bono and community lawyers to make an application through the Australian Pro Bono Centre. The Australian Pro Bono Centre and ExpertsDirect will use their best endeavours to find a match.
